This document is prepared within the scope of the Law No. 6563 on the Regulation of Electronic Commerce and the Regulation on Commercial Communication and Commercial Electronic Messages, and pertains to my consent for receiving commercial electronic messages and other communications from L2C Koçluk Eğitim ve Danışmanlık Ticaret Limited Şirketi ("L2C," "Platform," "Application," or "Company") in accordance with the relevant legislation. These communications may include announcements regarding general/specific opportunities related to the services provided, updates on current developments, celebratory messages, sharing of content such as presentations and newsletters, promotional and advertising materials. I acknowledge that my contact information, identity information, and marketing data are collected for the purposes of managing product/service sales, advertising, campaign, and promotion processes and that communications may be sent to me via my preferred channel. I also understand that I can change my communication preferences at any time or refuse communications without providing any justification by following the instructions included in the messages sent to me. I give my explicit consent for commercial electronic messages and other communications to be sent to me in accordance with applicable laws through SMS/short messages, automated calls, telephone calls, social media, online advertising networks, email/mail, and other electronic communication tools/channels.

I hereby acknowledge that I have read and understood this document regarding commercial electronic messages to be sent to me. Within this scope, I provide my explicit consent and approval for commercial electronic messages to be sent to me via the channels I have selected below.

For the purpose of processing my personal data and sending me commercial electronic messages through the channels I have selected below, for the promotion, marketing, and advertising of products and services, planning to ensure optimal use of our services, and introducing personalized products, services, and opportunities related to our services:

I give explicit consent. I do not give explicit consent.

For the purpose of processing my personal data and sending me commercial electronic messages through the channels I have selected below, including campaigns, promotions, and educational program announcements, via communication methods such as telephone, email, and short message service (SMS):

I give explicit consent. I do not give explicit consent.

For the purpose of processing my personal data and sending me commercial electronic messages through the channels I have selected below, related to the sending of satisfaction and evaluation surveys, analyzing their results to improve and develop the activities of our institution, and planning and implementing corporate communication policies:

I give explicit consent. I do not give explicit consent.
